The Fuelman® Advantage Card

The Savings You Want...
The Purchasing Control You Need

Control fleet spending and watch the savings quickly add up!

In any size business, uncontrolled spending can wreak havoc on profitability – and in today's economy, it's more critical than ever to make every dollar count. That means controlling fleet expenses, monitoring fuel efficiency and preventing unauthorized purchases – before they happen.

The Fuelman Advantage Fleet Card is more than just an easy way to buy fuel. The customizable card controls, extensive reporting, real-time, email alerts, and volume rebates, make it a comprehensive fuel management system that saves you money – on average 15%*

Control Spending

- **Restrict card purchasing** to fuel only, or fuel and maintenance only
- **Customize purchase limits by gallon amount**, type of fuel, or time and date of transactions
- **Control fraud** with real-time exception email alerts and online access to purchase activity
- **Monitor activity** with instant access to transactions as they happen

Save Money

- **Save 10-15%** on expenses by eliminating unauthorized spending and improving efficiencies*
- **Earn valuable volume rebates** based on overall fuel purchases
- **Pay no set-up fees**, transaction fees, card fees or annual fees for standard accounts
- **Keep vehicles on the road** with the optional road-side assistance program

Save Time

- **Save time** with convenient, real-time online account management, and e-billing.
- **Receive one simple report** detailing transactions by driver, vehicle and department
- Download transaction information into usable **Microsoft® Excel®** format
- **Start saving immediately** with assistance to optimize card controls
- **Offices & Customer Service conveniently located in Fort Worth, Texas.**

Billing Options

- **Flexible billing terms:** weekly, bi-weekly and monthly – Net 7, Net 14, Net 21 and Net 30 Terms
- **Secure payment options:** check, fax check, or credit card
- **Tax exempt** reporting and billing available

Save gallons, not pennies!
